

Magnetic Media Filing Systems by Ring King Visibles

A commitment to provide the most efficient, safe yet economical storage and retrieval systems for the Word Processing and Computer installation.

"We make keeping and finding the right words easy."

DISKETTES

A. Maxi Rotary Diskette File RKRS-5018

It goes in circles so you don't. Ideal for large files and for use by more than one person, it displays all titles to any direction. Maxi Rotary stands 23" high on a 12" precision ball bearing base. Accommodates 25 Royal Blue Housing Frames (ordered separately) for a total capacity of up to 300 diskettes.

B. Diskette Rotary File DR150

Little brother to the Maxi Rotary holds 75 non-glare vinyl files—each holding 2 diskettes (ordered separately) for a total capacity of 150. Same precise rotating action on weighted base.

C. Maxi Desk Stand RKDS-PX30M

Designed for convenience, beauty and capacity. Angle positioning allows the most comfortable viewing and housing frames open wide for easy retrieval. Constructed of bronze Plexiglas, the desk stand rises from a walnut grained base. Available in sizes to accommodate 15, 30 or 45 Housing Frames (ordered separately) for a total capacity up to 540 diskettes.

D. Diskette Display DF30

Little brother to the Maxi Desk Stand, comes complete with 15 clear vinyl files to accommodate up to 30 diskettes. If it's moderate storage capacity and super efficiency you need, choose the Diskette Display file.

E. Diskette Desk Index DI30

A flip of the finger presents the diskette you desire. Clever housing for up to 30 diskettes. Low profile allows it to be placed anywhere on desk surface.

F. Disk Tray DT100

Simple but effective cross tray will accommodate up to 100 diskettes and fits standard hanging files. This steel constructed "tub" is designed expressly for diskettes. Angle front and back panels allow flip-through title search. Adjustable back stop adapts to smaller volume. Horizon Grey color.

G. Diskette Easel Binder 1114-1

Ideal for small to medium sizes files—providing hands-free diskette viewing. Four-ring, white French Calf vinyl binder with open/close boosters holds up to 4 Ring King Housing Frames (ordered separately). Each floppy disc has its own assigned location with blank spacing that instantly points out mission files. Open, they're a handy free-standing easel for fast, efficient reference. Closed, they're neat, trim books for convenient, upright shelf filing.

H. Diskette Housing Frames FD-311-08

Royal Blue vinyl Housing Frames protect 8 diskettes each. Comes complete with snap-on, movable index tabs and 5 colored inserts.

I. Diskette Looseleaf Easel Binder 8511-1

Standard black Ring King 3-ring easel binder holds up to 10 Diskette files (ordered separately), for a capacity of up to 20 diskettes.

J. Looseleaf Diskette File FD02

Durable, non-glare vinyl sleeves hold 2 diskettes each (one per side). Separate top pockets provide for printed title inserts (included). Mate with the Ring King Diskette Looseleaf Easel Binder for dust-free storage and maximum versatility.

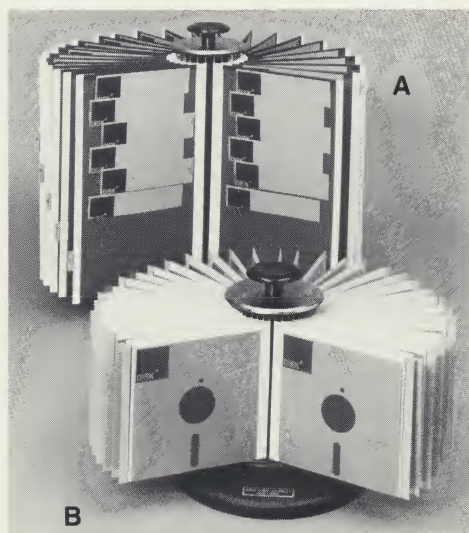

Diskette/Hard Copy Looseleaf File FD01

Durable non-glare vinyl sleeve holds one diskette and related documents. Three hole punched to mate with Ring King Looseleaf Easel Binder.

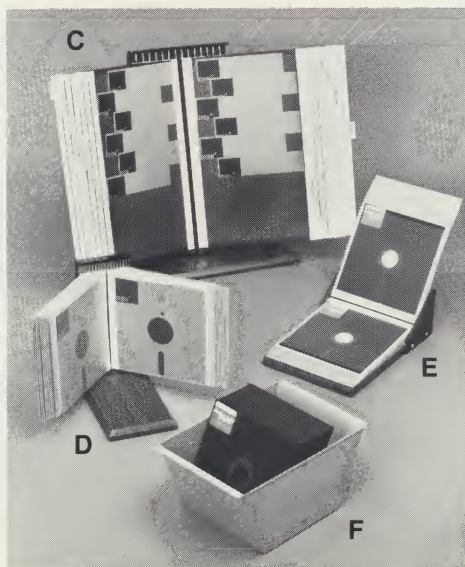

K. Porta-Disk DB20

Vinyl folder opens for disk selection or snaps closed for secure filing. Unit comes complete with 10 non-glare vinyl sleeves to protect 20 diskettes. Folder is made from Gauchio patterned scarlet vinyl.
